

FORREST MTB & CYCLING CLUB INC

FORREST Feral Fridays

Pre - KONA 24 HOUR race.

Get warmed up on the Friday before the 2008 Kona with the Forrest locals.

The Forrest MTB & Cycling Club will be running their first official race of the summer 08/09 series.

Forrest local races are a little different than most races you will go to, because we are a little different. Don't be surprised to see a few FERALS in attendance, and perhaps even come a little feral yourself.

Regardless of how you come dressed, you will be in for 1 hour of FAST racing... We might be feral, but we know these trails well.

Don't forget that Forrest is considered some of the BEST SINGLETRACK in Australia.
