

MEMBERSHIP INFORMATION

The Forrest MTB and Cycling Club Inc is a group of keen cyclists who have come together to share their passion.

The club exists for, and on behalf of, its members. To provide value to members, the club will:

- * Promote cycling as both a sport and a recreation;*
- * Provide a family oriented environment for members to share the enjoyment of mountain biking and cycling in general;*
- * Develop a positive and cooperative relationship with D.S.E and Parks Victoria, as well as other user groups in the Forrest district;*
- * Maintain and manage the Forrest Mountain Bike trail network;*
- * Provide equipment and opportunity for all club members to be involved in cycling and mountain biking, both as a sport and a recreation.*

The club welcomes new members, whether your passion is racing, (both MTB and Road), getting out with family / friends for a ride, or just being involved as part of a social group. Many activities and most information is shared via E-Mail or the club section at:

www.rideforrest.com.au

You can choose which level of membership suits your situation. The club is affiliated with Mountain Bike Australia, (MTBA), the governing body for the sport. All club members are also required to be members of MTBA. Benefits can be found on the “member benefits” brochure, or the MTBA website:

www.mtba.asn.au
