WELCOME TO COUNTRY

We proudly acknowledge the Gulidjan and Gadubanud peoples, past, present and emerging, as the traditional custodians of the land that the Forreest Mountain Bike Network is built on.

FORREST MOUNTAIN BIKE NETWORK

The Forreest bike trails showcase the natural beauty of the Otways – passing through tall eucalypt forests, dry heathy scrub and dense fern gullies. The trails have been designed around the village of Forreest and built with real mountain bikers in mind. They offer experiences for beginners as well as hard-core dirt fanatics.
